

I Want to be a Green Energy Champion!

Please print this form, fill in the blanks below and mail to:

Burbank Water and Power
Attn: Green Energy Champion Program
P.O. Box 631
Burbank, CA 91503-0631

Your electric rate (e.g., residential rate, small commercial rate, etc.) determines the Bronze, Silver and Gold *Green Energy Champion* percentages you can sign up for. For residents, percentages are 15% (Bronze), 37.5% (Silver) and 60% (Gold). So, signing up for the Gold option means 60% of your energy usage would be from a renewable resource like wind or the sun.

For the average residence using about 500 kilowatt-hours per month, the monthly cost for *Green Energy Champion* would be about \$1.50 (Bronze), \$3.75 (Silver), or \$6.00 (Gold). To enroll, simply check your preference for Bronze, Silver or Gold, fill out the form below and return to the address listed above. Or you can drop this form off with our cashiers in the customer lobby at 164 W. Magnolia. You can also sign up by phone by calling 818-238-3700.

Your Green Energy Champion charge will show up on your City of Burbank bill as a separate line item. Thank you for helping the environment and fighting climate change!
