

Thank you, Buddy's All Stars, for the Stellar Recommendation!

ONEBurbank is a suite of BWP fiber optic services offered to Burbank businesses looking for exceptionally fast and reliable bandwidth. **ONEBurbank** rolled out in December 2010 and customers continue to sign up for the popular service.

Over the past 32 years, I've watched Buddy's All Stars Inc. grow from a two person operation into a major athletic team sales player in California and Arizona. We outfit college, high school and Little League teams, individuals, and everything and everyone in between with uniforms and equipment. For 5 of the last 6 years, Buddy's has been voted the Best Sporting Goods Store in Burbank!

We were having continuous issues with our Internet provider and, after experiencing several work-stopping "connectivity" issues, we checked out BWP's ONE Burbank fiber offerings to compare capabilities and costs. Determining that BWP could meet our requirements, we replaced our old copper based services with fiber optics.

It turned out to be a GREAT decision. We have not had one day of downtime since the implementation and BWP's committed upstream and downstream speeds are consistent, putting our old service provider to shame. The ONE Burbank fiber service has proven

“It was a pleasure dealing with professionals who actually seemed to care about our needs and our success!”

essential to the growth of our California and Arizona operations and will no doubt play an even more vital role as we expand to the rest of the country. BWP also provided us with a migration path for additional bandwidth on an as needed basis to support our special programs or bandwidth peaks. Increasing bandwidth with just a call to BWP is a major plus compared to what the competition offers.

ONE Burbank representatives Robert De Leon and John Cassidy guided us through the implementation stages flawlessly. The experience we had working with BWP staff, from Robert and John to the guys pulling the cable, was second to none. It was a

pleasure dealing with professionals who actually care about our needs and our success!
