TERMS AND CONDITIONS

- Applicant must be a Residential BWP customer with an active BWP electrical account.
- To receive a \$4,000 rebate, you must be enrolled in BWP's Burbank Utility Service Subsidy (BUSS) or Lifeline program and the total purchase price of your vehicle cannot exceed \$25,000 before any taxes, registration, and title fees.
- Vehicle purchased must be registered to a household member at the service address.
- Limit of two used EV rebates per BWP account.
- Only one rebate per VIN per customer account. Up to two rebates can be applied per VIN with a 24 month period in-between rebates.
- Vehicle must be purchased. Leased vehicles will not qualify for the rebate.
- Vehicle purchased must be two years or older than the calendar year of application.
- Vehicles transferred from a family member, gifted, or won as a prize will not qualify for the rebate.
- The rebate amount cannot exceed the purchase price of the vehicle.
- Four-wheel plug-in EVs must be approved for highway transportation and be on the California Air Resources Board (CARB) carpool sticker list. See a complete list at ww2.arb.ca.gov/eligible-carpool-sticker-list
- Rebate requests must be submitted to BWP no later than **SIX MONTHS** from the date of purchase.
- Rebates are only for battery electric or plug-in hybrid vehicles. Fuel cell electric vehicles powered by hydrogen are not eligible for a rebate.
- Application must be signed, dated, and contain all of the supporting documentation.
- Rebates are not guaranteed and are provided on a first-come, first-served basis until program funds are no longer available.
- Rebate program is subject to change without notice.
- BWP is not responsible for items lost or destroyed in the mail.
